A complete planning system for cultural venues processes a lot of information. Here's Yesplan in numbers.

Yesplan

up to 2022

5.938.298
Events

We know that events are the lifeblood of your venue, and they are in Yesplan too. Our software helps plan concerts, productions, meetings and more.
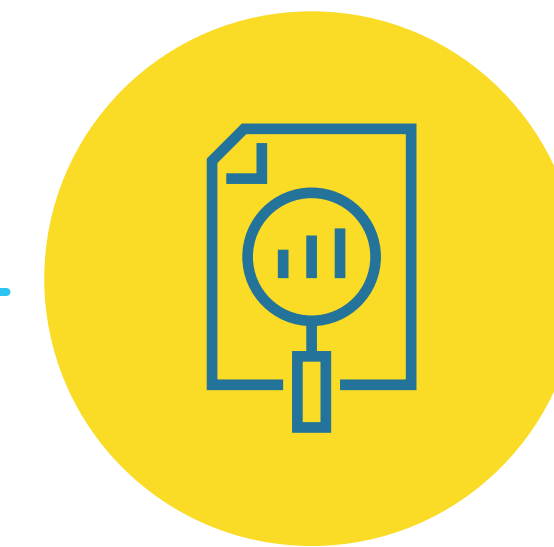

17.515
Users

That's how many planners have used Yesplan to follow up on every detail in the events they are running.

14.563
Locations

Whether it's a production on your main stage or a rehearsal in your studio, all these different spaces and venues need a plan of action.

1.580.960
Generated reports

From settlements to call sheets, Yesplan generates specialised reports using a wide array of data.

Visit **www.yesplan.be** to find out how we can help you plan smarter.   Questions? Email us at **info@yesplan.be.**
